

## Privacy Policy

Welcome to **One-Host** (the “Platform”, “we”, “us”, or “our”). Your privacy is our priority. This Privacy Policy explains how we collect, use, and safeguard your information when you use our services via **one-host.app**.

### 1. Information We Collect

- Connection and system data (browser info, peer IDs, session logs).
- File transfer metadata (no file contents are stored).

### 2. How We Use Your Information

- Enable peer-to-peer connections.
- Improve platform performance and fix issues.
- Use Google Analytics to understand how users interact with One-Host and to improve features and user experience.
- Communicate with you if you opt-in.

### 3. Cookies & Analytics

- We use local storage/session cookies to save preferences.
- We use Google Analytics to collect aggregated usage data such as page visits, browser type, and interaction patterns.
- This helps us improve One-Host’s performance, features, and overall user experience.
- No personal files or transfer contents are ever collected by Google Analytics.

### 4. Sharing

- We do not sell your data.
- Data is shared only if required by law.

- Aggregated and anonymized data may be shared for analytics and performance monitoring.

## 5. Security

- We use SSL/TLS encryption and industry-standard safeguards.
- Peer-to-peer transfers avoid centralized storage.

## 6. Data Retention

- We keep logs only as long as necessary for troubleshooting.
- Files are not stored on our servers.
- Google Analytics data is retained as per Google's retention policies.

## 7. Children's Privacy

- Not intended for children under 13.
- We do not knowingly collect data from children.

## 8. Your Rights

- Request access, correction, or deletion of your data.
- Opt-out of communication at any time.

## 9. Updates

- We may update this policy.
- Changes will be posted here with a revised date.

## 10. Contact

- For questions, contact us at: **one.host.app@gmail.com**
